**Criminal Record Check**  
**Application for Special Effects Operator/PSEM Store Licence/Supplier Licence**

With regard to my recent application for special effects operator licence(s)/PSEM Store Licence/PSEM Supplier Licence, I have authorized the Police to conduct a criminal record check and to release the result to you for consideration. I understand this may take several weeks or more.

Due to below reasons\*, I would like to request that my application be considered as early as possible, without waiting for the result of Police's criminal record check.

I declare that I do not have any criminal conviction records within the last four years nor any criminal charges pending court judgement.

I understand that if the above statement is found to be incorrect, or if there are any other issues that have surfaced such that you consider I am not a fit and proper person, you may revoke my licence(s) pursuant to section 47(3) of the Entertainment Special Effects Ordinance.

I also understand that I may be subject to disciplinary action or other legal consequences if I have deliberately made any false statement in applying for the licence(s).
